I am competent to paddle the Waimakiriri Gorge in my race boat. I understand that there are hazards on this river and that kayak racing involves some danger. I accept that I participate in the 2011 Classic River Race entirely at my own risk and I accept responsibility for any damage that I may do to myself, fellow competitors and/or third parties, equipment and possessions and that I waiver all and any claims against the Race Organisers, Sponsors, Officials and Assistants. I accept that the organisers may, in the interest of safety, remove me from the race. I understand that there may be photographers on the course and I agree that photos of myself may be used for future race promotions. I agree to abide by all the rules of this race.
